

REVISED TRAFFIC RULES CANNOT BE PUT INTO EFFECT

Failure To Advertise New
Ordinance Prevents
Enforcement.

MAYOR TO ENFORCE
OLD REGULATIONS

Orders Violators Arrested:
Sufficient Warning Is
Given He Says.

Failure of city officials to adver-
tise the revised traffic ordinance 10
days previous to its earliest date of
becoming effective as is mandatory
by law, prohibits enforcement of the
ordinance, according to legal deci-
sions rendered Thursday.

This apparent neglect was caused
by city officials' indecision regarding
the law which has been the occasion
of complaints from civic organiza-
tions, signing of petitions by motor-
ists desiring revision and confer-
ences between city officials and op-
ponents of the measure.

The ordinance was passed Tuesday
April 4, by city council with the pro-
vision that it become effective 30
days after passage, providing that the
ordinance be advertised as passed.

The traffic ordinance passed sev-
eral years ago is still in effect with
the same provisions as the recently
passed ordinance except that parking
is at a 30 degree angle to the curb on
the south side of Main st. instead of
45 degrees to the curb; parking on
Penn st. is at an angle instead of par-
allel to the curb.

The old ordinance provides that
turns shall be made only at street
intersections and that parking shall
be at an angle in the general direc-
tion of traffic.

Warnings to motorists were issued
Thursday by Mayor Post regarding
parking. He is insistent that the
law be enforced and is demanding
that police authorities arrest all traf-
fic regulation violators, Mayor Post
said.

"Regardless of what ordinance is
in effect, I am determined that its
provisions shall be enforced. Orders
have been given the safety depart-
ment to arrest violators as sufficient
warnings have been issued. The city
needs the money and I am going to
get all I can from motorists who
break the law."

YOUNG FARMER ADMITS SLAYING SWEETHEART, SAYS HOOTCH CAUSED IT

Northwood, Ia., May 4.—Irvin Bon-
ker, 21, a young farmer of Manly, is
in jail here today and has confessed,
police say, to the slaying of Miss
Rebecca Nelson, his sweetheart.

Miss Nelson was shot and killed in
the cloakroom of the school house
four miles west of Manly where she
taught.

"I killed her, but hootch made me,"
Bonker is said to have told the po-
lice.

Bonker went to the school to see
Miss Nelson about a letter she had
written him, refusing to accept his es-
cort to a party. He at first claimed
that the shooting was accidental.

After the shooting Bonker drove to
Manly in his automobile, and attempt-
ed to hold up the Farmers' Savings
bank. His gun failed to fire and two
employees of the bank overpowered
him.

BEVERIDGE DOWNS NEW FOR INDIANA SENATOR

Indianapolis, May 4.—Republican
Indiana has broken a precedent by
depriving Senator Harry S. New of
the traditional re-nomination and in
his place has chosen Albert J. Bever-
idge, ex-senator and former Progress-
ive, to be the party's standard bearer
in the November senatorial contest.

Mr. Beveridge has been nominated
by a plurality that came as a distinct
shock to Republicans in the New
camp.

In fact, practically the whole state
was surprised at the 20,000 odd plu-
rality shown by virtually complete
unofficial returns.

LAYTON RETAINS TITLE

Sedalia, Mo., May 4.—Johnny Lay-
ton still holds his title as world's
champion three-cushion billiards
player by virtue of his defeat of
Charles McCourt of Pittsburgh in a
three-hour match here. Layton won
every rack of the match, piling up
180 points to 133 for McCourt.

SUICIDE EFFORT FAILS

Norman Barr, 21, of New Water-
ford, who tried to take his life Tues-
day night by drinking iodine, is re-
ported to be getting along favor-
ably. Barr is stated to have be-
come domestic troubles lead-
ing to his attempted suicide. Thurs-
day he was able to be out.

GRADE PUPILS PRESENT SONGS, DRILLS, DANCES

Celebration Of Music Week Demonstrates What Is Be-
ing Accomplished In Music In Grades Of
Salem's Public Schools.

A demonstration of what is being
accomplished in music in the grades
of Salem's public schools, through
the efforts of Miss Grace P. Orr,
music director, was given Wednes-
day evening at the High school audi-
torium when a musical program was
presented by grade pupils of the
different schools in celebration of
Music week.

The group singing, pretty drills
and graceful dances all bespoke the
careful training of Miss Orr and the
teachers, to whom much credit is
due for this successful entertainment.
The large audience, composed prin-

cipally of the parents of the children
generously expressed appreciation.
All the children took their parts
well. The numbers by the Primary
grades were very enjoyable.

The play, "Helpers All," by the
Third and Fourth grades of East
Fourth st. school, portrayed how the
sun and rain contribute to the growth
of the flower garden and the use of
the robins in destroying insects.
Some of the children represented
flowers, others raindrops and clouds.
A little girl who worked in the gar-
den and a fairy played a prominent
part in the story. Two little boys
took the part of robins.

First graders of the McKinley ave.
school gave a "May Pole Dance"
which was especially good.

The Minuet dance by the Interme-
diate grades, McKinley ave. school,
in which the boys and girls wore co-
lonial costumes, won hearty applause.
Intermediate grades of the Colum-
bia st. school gave a "Pink Rose"
drill. The girls were dressed in
white and carried white hoops with
pink roses wreathed around them.
This drill was very pretty.

"The Blossoming Parasols" drill by
Seventh grade girls, in which the
girls were dressed in white and car-
ried different colored parasols, was
an unusually good number.

A song "Come Lads and Lassies"
by the Primary grades, Columbia st.
school, pleased the audience.

Other numbers given credibly
were: Violin and piano duet, "The
Blue Danube," Ala and Alven
Moore; violin and piano duet, Doris
and Gladys Wiser; reading, "The
Lisper," Hannah Baillie; vocal solo,
Anna Zelle; songs by the Eighth
Grade Glee club. The selections by
the High school orchestra added
much to the program.

The entertainment will be repeated
Thursday evening.

YOUTHS DIES WHEN ARM IS AMPUTATED

Picks Up Severed Arm
From Tracks, Walks Half
Mile To Farm House.

Carl Tasker, 11-year-old son of Mrs.
T. L. Campbell of Chester, W. Va.,
and John Tasker of East Liverpool,
died Wednesday afternoon at the
hospital in Alliance from injuries sus-
tained Tuesday when his right arm
was torn off as he was alighting from
a freight train.

It became known some time after
the accident that the Tasker boy,
who had run away from the Fair-
mount Children's home with another
youth, had picked up his severed arm
from the tracks after the accident
and walked more than a half mile to
a farmhouse near Bayard, still car-
rying his amputated arm.

A physician was called there to
render first aid treatment prior to re-
moval to the hospital. The lad was
still conscious at noon Wednesday,
when his mother was at his bedside
and told of the episode.

It was thought at that time that
he had some chances of recovery
after surviving the night, but reac-
tion set in a few hours later, ending
in his death.

JOHNNY KILBANE READY FOR BOUT WITH MARTIN

Cleveland, May 4.—"I'm ready to
fight Pepper Martin any time and any
place," said John Patrick Kilbane,
featherweight champion of the
world, upon his return from New
York this morning.

"I had a four-hour conference with
M. J. manager in New York. Terms
were practically agreed upon for a
match, but conditions must be
suitable. I expect to hear from him
within the next two weeks."

Kilbane said that Martin, whose
work he watched from the ringside in
New York, when he knocked out
Fabe Hermann of California, look-
ed like the best featherweight he
has seen in action for some time.

BABE RUTH "TAKES COUNT," WIFE ALSO UNDER KNIFE

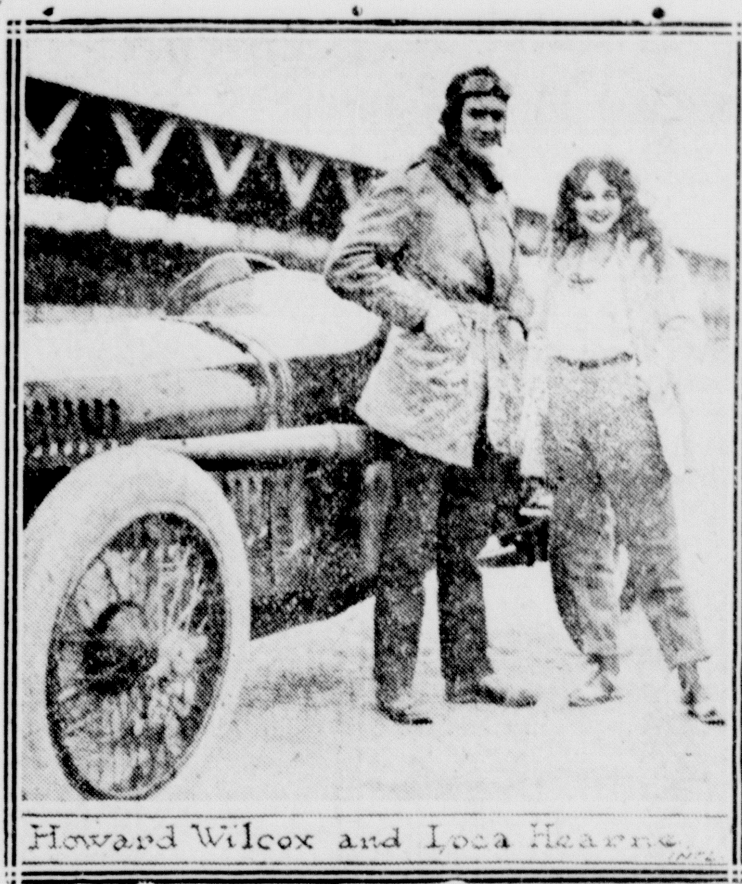

New York, May 4.—"Well, I know
I'm going up, but I don't know how
I'm coming down," soberly remark-
ed George Herman (Babe) Ruth this
morning as he stepped into an ele-
vator at St. Vincent's hospital and
was whisked to the operating room
where his tonsils and adenoids were
removed.

In an adjoining room lay Mrs.
Ruth, awaiting a major operation,
the third in a year.

Before being placed on the oper-
ating table, baseball's great hitter
entered the sick room of his girl-
wife, and knelt by her bedside.
"Everything's all right, don't you
worry," she said, extending a weak
little hand.

Then a priest entered, and the
two of them took communion to-
gether.
A few minutes afterward Ruth
went with the doctors.
"The game needs Babe," murr-
mured Mrs. Ruth to a friend, as she
awaited word from the operating
room. She made no comment what-
soever about the serious operation
that she was to undergo in a few
minutes.
In the operating room "The King of
Swat" was stretched on the white-
tiled table, and the anesthetic was
applied.
An attendant wheeled another
table outside of the wife's door.
The moment that Ruth's operation
was completed, he was taken car-
ried to the hospital chamber and
Mrs. Ruth was rolled in.

She's The Original "Speed Girl"

Pretty, brown-eyed Bebe Daniels, of film fame, had better look to her
laurels. The original "speed girl" steps forward at Indianapolis and chal-
lenges Bebe to "stop along" in her poky old car. At Indianapolis on May
30 the speediest racing drivers on earth will compete in the annual sweep-
stakes race. Braving the dangers of the bowl will be Miss Ioca Hearne,
who thus will earn the distinction of being the only girl ever to drive a
car in the championship sweepstakes. Howard Wilcox, noted racer, is
training her.

Religious House Cleaning Needed, Says Ohio Pastor

Columbus, May 4.—Contrary to a
restating of the faith of Christen-
dom.
expressed views of William Jennings
Bryan, two prominent Columbus pas-
tors are on record here today as sup-
porting the theory of evolution.

Rev. Dr. B. D. Evans, pastor of
Franklin Park M. E. church, and
Rev. Irving Maurer, pastor of First
Congregational church, voiced their
belief in this theory during address-
es at the Institute of Christian Faith
For Men today in session here at the
First Congregational church. The in-
stitute is being held under the direc-
tion of "The Theological Seventeen,"
comprising Columbus clergymen
possessing advanced ideas on relig-
ious topics.

Asserting that the Biblical story of
the Garden of Eden is a "fairy tale"
and declaring that there is not suf-
ficient evidence to support the teach-
ing of the virgin birth of Christ, Rev.
Dr. Evans urged that more attention
be given to such essentials as God,
Jesus Christ and the Kingdom of
God and less to non-essentials under
which classification he included the
theory of the virgin birth, miracles,
the infallible book forms and cere-
monies.

"We accept theistic evolution as a
more rational and spiritual expres-
sion of man," declared Dr. Evans,
who stated that there must be a "re-
ligious house cleaning" if Christian-
ity is to be preserved. He asserted
that modern world thought demands

ALLIES MUST PAY IF U.S. TROOPS ARE KEPT

Washington, May 4.—If the allied
governments want American troops
kept indefinitely on the Rhine, they
must make some adequate provisions
for paying the cost of their main-
tenance, it was made clear today in
official quarters.

For the time being, a part of the
Eight United States infantry will
remain in Europe, but it was learned
officially today that they will not be
maintained indefinitely unless the
European governments interested in
having them stay there adopt some
means of meeting the American bill
of costs.

Periods were shortened in the High
school Thursday and after school
all students went to Reilly field for
the preliminary field and track
events.
All pupils except the seniors have
been given the new schedule of sub-
jects for next year, in order to find
out what changes will be made.
Among next year's subjects will be
a public speaking class.

STRIKE BREAKERS
SEVERELY BEATEN

Mob Gathers At Car Barn
After Police Rescue
Employees.

East Liverpool, May 4.—(Spl.)—A
near riot in connection with the trip
of the Steubenville, East Liverpool &
Traction Co.'s system in East Liver-
pool occurred shortly after 1 p. m.
Thursday when a mob of 200 persons
attacked a car manned by strike
breakers.

Rocks were hurled through the
vestibule and side door windows of
the car as it was rounding a curve
in the business district. Union sym-
pathizers boarded the car and attack-
ed the four men in charge before po-
lice rescued them.

The strike breakers were taken
from the car by the mob and severely
beaten. Police, responding to a riot
call, took charge of the strike break-
ers three of them being rushed to the
East End car barn while the fourth
was placed aboard a northbound Y &
O. car.

About 1:45 p. m. a large mob, es-
timated at several hundred, had as-
sembled in front of the traction com-
pany's car barn in East End.

Crowd Dispersed

Captain of Police Mason Conley
told the mob that he had been given
assurances from C. A. Smith, general
manager of the street car company,
that no further efforts would be made
to operate cars by non-union men.

The crowd then dispersed.
About 50 workers from Toledo and
Cleveland were housed in the car
barn here today prepared to man
cars placed in service on the traction
line in the East Liverpool district.

The first car left the East End
barn at 11 a. m. Thursday. The win-
dows were heavily screened while
four men were placed on duty inside.
The car ran to the business district
and then returned to the car barn,
no stops being made to take on pas-
sengers.

A crowd of several hundred specta-
tors congregated in the diamond as
the car passed through.

Cots have been placed in the car
barn and preparations are also being
made to serve the men meals.

At a meeting held early today the
men voted unanimously not to appeal
the case which was decided against
them in common pleas court here

Normal Thought

THE return to normalcy is not confined to industrial and economic condition. It is permeating the political and social thought of the country and is to be a big factor in shaping affairs that have to do with public questions and issues affecting the masses. Students of politics, statesmen and near statesmen have a profound respect for what is commonly known as the drift of opinion.

The psychology of wartime on the human mind is a tendency to radicalism. There is less of conservatism, prudence and care in public matters and issues, all in keeping with the hurry and excitement, the confusion and high tension, attendant upon the dispatch and execution of abnormal problems of business.

With the closing of the wartime period, when responsibilities must be met in the open, hastily contracted debts paid, the wounded and unfortunate cared for, and prosperity restored upon a basis of normal prices and an average output, there is a conservative reaction in the physical and economic pace of the people and an accompanying sober deliberation of thought and temperament.

This change in the attitude and mental poise of the voters is one of the reasons assigned by keen observers here, for the complete failure of Governor James M. Cox to arouse interest and enthusiasm by the radical and unconservative speeches he is delivering when afforded an opportunity to address a convention of assemblage of Democrats. Never conservative in his public utterances, Cox has sought to create Democratic interest and support by public statements not conducive to the best patriotic thought, not helpful to reconstruction and not born out by the facts and history of the past year. This attitude of Cox will add to the prestige of the more conservative Pomerene element in the fight for Democracy, between these factions in this state.

Normal thought is also predominant in the Republican party and the most noticeable development in this connection is the resentment of Republican voters against the muck rakers and the fellows who have indicated a disposition to base their primary operations on a campaign of abuse against other candidates or a program of faultfinding that would have a tendency to give comfort and aid to Democracy. The voters are determined that the achievements and accomplishments of the Harding administration wrought by the clear and statesmanlike vision of the president, inspired by his unselfish and patriotic devotion to duty shall have the fullest measure of support and endorsement.

Keeping One's Word

HOW an intelligent well-meaning man can get up and seriously contend that the law in America should apply to one set of men and not to another is almost beyond our powers of comprehension. This is what a prominent labor leader did a few days ago when, if we followed his argument correctly, he maintained that the law of contract should be enforced rigidly against employers but not against employees. He would have the unions in which he is particularly interested privileged, if they see fit, to violate their agreements and their organizations and individual members freed from the danger of being held responsible under the law. It shows how far astray a man can go when his habit of thought is all ex parte. The injustices which labor has suffered sometimes at the hands of capital may explain in a measure such an attitude of mind but they do not make it defensible. Add together a thousand wrongs and they do not make a right.

Truth is the warp of the fabric of society. Men must be able to rely on one another's word or the whole stuff is shoddy, with no wearing quality in it. The principle of the in-

violability of contract is the basis of organized human life. Who preaches against it preaches, though he may not realize it, against ordered civilization.

DOCTOR ORDERED WOMAN OBEYED

Took Lydia E. Pinkham's Vegetable Compound and is Now Well

Chicago, Illinois.—"You surely gave women one good medicine when you put Lydia E. Pinkham's Vegetable Compound on the market. After I had my baby I was all run down and so nervous it kept me from gaining. My doctor did everything he could to build me up, then he ordered me to take Lydia E. Pinkham's Vegetable Compound with his medicine and I am now a new woman. I have had three children and they are all Lydia E. Pinkham babies. I have recommended your medicine to several friends and they speak highly of it. You are certainly doing good work in this world."—Mrs. ADRIEN TOMEHECK, 10557 Wabash Ave., Chicago, Illinois.

There is nothing very strange about the doctor directing Mrs. Tomeheck to take Lydia E. Pinkham's Vegetable Compound. There are many physicians who do recommend it and highly appreciate its value.

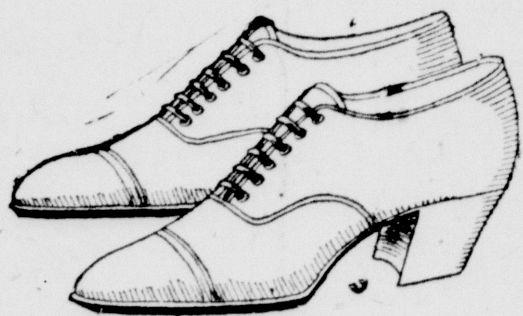

Women who are nervous, run down, and suffering from women's ailments should give this well-known root and herb medicine a trial. Mrs. Tomeheck's experience should guide you towards health.

MURDERED GIRL AND FIANCE
HELD FOR INVESTIGATIONGertrude Hanna
& John C. Wyman

Inquiry into the brutal murder of Miss Gertrude Hanna, whose body was found in the basement of the vacant parsonage of the United Brethren church at Hopkinton, Ill., continues.

John C. Wyman, alleged fiance of the slain girl, is being held for investigation. He maintains, after several grillings, that he knows nothing of the murder.

Miss Hanna soon would have become a mother, authorities say. Lacerations on her wrists indicate that her hands were tied behind her for a long time. No other marks of violence were found.

It is believed she was murdered and her body removed to the parsonage basement.

BAD STOMACH AND HEART PAINS

Got First Relief in Months From Nerv-Worth

When the stomach is sour and the food ferments it produces a poisonous gas that distends the abdomen and presses against the heart causing severe pains and sometimes dangerous palpitation. We have yet to hear of a single case of indigestion or bowel trouble that was not immediately relieved by use of the famous Nerv-Worth, J. A. Jacobs, of Chattanooga, Tenn., tells us that he suffered this way for years—could not get a good night's rest, but before he had taken his first bottle entirely up he was greatly relieved and a little later became entirely free from the pain of indigestion and stomach trouble; his bowels were perfectly regular and all of his nervousness and sleeplessness gone. He could eat whatever he wished without pain or discomfort and felt like a new man. Most drug gists sell Nerv-Worth at one dollar a bottle and all are authorized to give the money back if you do not receive satisfactory encouragement from the first bottle. It is always on sale at the Bennett and Treat drug stores in this city. It is especially fine for delicate women and sickly children as the taste is pleasant and the action mild but very effective.

MANAGERS OF LODGE TEAMS MEET FRIDAY TO ARRANGE SCHEDULE

An important meeting of managers of the four lodge baseball teams has been called for Friday night at the Elks club, to arrange a tentative playing schedule and playing rules for the four team league which will be composed of teams from the Masons, Eagles, Elks and American Legion.

George Harroff has been appointed manager of the Masons. Frank Scullion is at the head of the Eagles. John Litty leads the Legion team and William Hazan represents the Elks. The Eagles and American Legion have ordered uniforms and other paraphernalia and the opening date will be set in advance far enough to make certain the uniforms have arrived.

From present indications the four teams will be about equal in strength, with the Eagles looking the best as a number of old time ball players are included in the lineup which is well balanced.

All games of the league schedule will be played at Reilly field Wednesday and Saturday afternoons.

MAN O' WARS BOOK GAME

The Millvale A.S. club, one of the strongest semi-professional teams in Pennsylvania will be the attraction at East Liverpool Sunday afternoon at West End park.

The two teams will meet Saturday at Millvale returning to East Liverpool Sunday. "Pete" Scullion of Salem has signed up to catch all Sunday games for the Man O' War team.

County Track Records Go To Other Schools

In the many years that Salem has been entered in the Columbiana County High School's annual track and field meet at Lisbon not one record hung up by local athletes stands today.

Columbiana and Lisbon are credited with establishing records in four events each. East Palestine, East Liverpool and Wellsville are tied with honors in two events.

Gaines, the colored athlete from Columbiana, holds the individual record honors with records in the 100-yard dash, 220-yard dash and 440-yard dash.

The school records are:
220-yard hurdles—Ward, East Palestine, 27.35 seconds, 1919. (Tying record made in 1909).

Running high jump—Hjerpe, Wellsville 5 feet 11 inches, 1915.

100-yard dash—Gaines, Columbiana, 19 seconds, 1919.

Pole vault—Hawkins, Columbiana, 11 feet 9 1/2 inches, 1921.

Half mile run—Buehert, East Liverpool, 2 minutes 5 seconds, 1916.

Running broad jump—Gorsuch, Lisbon, 26 feet 11 inches, 1921.

220-yard dash—Gaines, Columbiana, 22 seconds, 1919.

Javelin throw—Mefort, Lisbon, 163 feet 1 inch, 1921.

Hammer throw—Thomas, East Palestine, 142 feet 6 inches, 1918.

440-yard dash—Gaines, Columbiana, 52 seconds, 1920.

Mile run—Campbell, Wellsville, 4 minutes 47.45 seconds, 1916.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. Loc and 30c.

the auditorium, Youngstown, with Jeff Smith of Bayonne, N. J.

A right to the jaw at the start of the sixth round sent Moha spinning against the ropes in his corner. Smith smothered him with rights and lefts to the jaw and Moha went down. He arose to his feet and as Smith measured him off for the K. O. punch Moha dropped to his knees, quitting cold.

Referee Mike McHale sent him to his corner, awarding the fight to Smith as the crowd booed Moha for his tactics.

The fight was slow with Smith do-

ing all the fighting and Moha hanging on. Moha drew himself in a shell for the first five rounds. He clinched repeatedly and only landed one clean blow. Smith battered away, wearing down his opponent but Moha covered so completely that Smith was disgusted with the affair.

The boxing commission held up the money of both fighters after the bout. There is a possibility that some action may be taken to bar Moha from further ring participation in Ohio.

SEES CHANCE OF LARGE APPLE YIELD IN STATE

There is possibility of nearly a normal apple crop in Ohio, despite the recent severe frost, and no fruit trees are beyond help as to spraying. Horticulturists of Ohio State university, having received reports from all parts of the state, made this their report today: "While severe, frost damage to Ohio's fruit crop has been by no means complete, and it is essential that there be no let up in the usual spraying practice," says F. H. Beach, who issues the statement.

Failure to complete the after-blossom spray will mean a total loss of whatever prospect remains, while application of this spray will make the most of present crop prospects and preserve the health of the trees for another year," he continues.

Apple orchards have suffered less than the others, and present indications are for a commercial crop of nearly normal size, with the best prospects in the extreme northern and southern parts of the state. Damage to summer apples has been heavier than to the late varieties. "Frost and sour cherry blossoms have been damaged about 50 per cent in Southern Ohio and have been prac-

tically all killed in Central Ohio, but in Northern Ohio a fine prospect still remains. Pear and plum prospects are practically the same. "Sweet cherries are virtually a total loss over the entire state." Prof. Beach adds that farmers who quit spraying after the freeze last year found this neglect unprofitable. "Their trees became disease-ridden and the fruit buds this year were relatively light."

East Palestine—Dr. S. J. Paterson and family have moved to New Waterford to make their home.

Approve Form Of State Tax Limitation Bill

Propose Taxation And Debt Amendments To State Constitution.

Columbus, May 4.—Approval of the form of the petition to be circulated in an effort to obtain submission of a referendum to permit submission of the November election of proposed taxation and debt limitation amendments to the state constitution has been given by Secretary of State Smith.

Attorney General Price has been asked to certify to the correctness of a synopsis of these proposed amendments. The synopsis are to be placed on the ballot.

The committee in charge of the campaign for the debt limitation proposal includes: H. A. Caton, Coshocton, master of the Ohio State Grange; R. B. Thompson, Salem, and L. T. Palmer, Middletown, president of the Ohio Real Estate Board. The proposal would incorporate in the state constitution substantially the Griswold debt limitation act.

The committee directing the campaign for the taxation proposal includes: O. E. Bradford, president, Ohio Farm Bureau Federation; President W. O. Thompson, Ohio State University and C. A. Dyer, secretary of the Ohio Home Protective League. The proposed taxation amendment is designed to provide a "broader and more equitable basis for a system of taxation."

Provisions of Measure

It decrees that no aggregate tax rate in excess of 15 mills on the dollar can be levied without a vote of the people, no rate in excess of one mill can be levied for state purposes, that additional taxes must be authorized as to specific amounts, periods and purposes at a regular November election by two-thirds of those voting on the proposition. Unless a majority of those voting at the election approve, the limited levies are to be distributed by local boards, and the legislature may substitute other methods of taxation of property for the taxation thereof, according to its value, but no property can be relieved of taxation according to value without such substitution.

If the local boards are composed of persons holding other offices, they must contain representatives of the county government, the municipal government and the schools. The proposed amendment would enable the state legislature to abolish or retain the present uniform rule of taxation.

Says His Prescription

Has Powerful Influence

Over Rheumatism

Mr. James H. Allen, of Rochester, N. Y., suffered for years with the rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allen's, to others who took it with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Allen's with the understanding that if the first pint bottle does not show the way to complete recovery all druggists will gladly return your money without comment.

CHANGE SENTENCE FROM PEN TO OHIO HOSPITAL

Lisbon, May 4.—George O'Brien, age 45, an East Liverpool kindrafter, who entered a plea of guilty, in criminal court here this week before Judge James G. Moore on a charge of assault with intent to rape, and sentenced to the Ohio penitentiary for from three to 15 years, will likely be sent to the Lima State hospital.

"He does not talk in connected sentences," declared Attorney Ben L. Bennett, appointed by the court to bid and below the average degree of defend the man. "His mind is morbid and below the average degree of mentality. My investigation shows there was similar trouble in this family 30 years ago."

"You ought to be ashamed of your self," declared the court before sentence was passed, "to stand in a public place and admit what you have done. I hope this will be a lesson to you and to others."

O'Brien turned pale when he heard the sentence.

How to Make Child-birth Easier!

Do YOU wish to know how thousands and thousands of women have gone thru motherhood without knowing some of the pains and discomforts incident to childbirth? Listen to this:

Motherhood creates almost a new state of being for a woman.

As a result, new nerves, those heretofore restful and quiescent, spring into activity, they cry out, they tingle, they burn in their unrest.

The network of nerves across the abdomen, the loins, the back and other parts now become super-sensitive. All these nerves are being called on to perform unusual duties.

These nerves must be pacified and comforted; must be put in condition for the crisis that is pending.

If these nerves are not soothed and quieted, they may set up aggravated nerve tension, increasing in severity from month to month, sometimes even culminating in a nervous paralysis of the back and limbs. This leaves the mother to be in a condition where she is unable, fully, to meet the test when the climax of maternity arrives.

WARNING: Avoid using plain oils, greases and substitutes—they act only on the skin and may cause harm without doing good.
